

I am writing to ask you to not allow Low Power FM stations to take priority over current FM translator service. Specifically, I am an avid listener to K-LOVE. K-LOVE is a positive and encouraging Christian music station that helps me to be a better person, more helpful and hope-filled and, therefore, an asset to my community. There are many people in my community who listen to K-LOVE, and therefore they are better citizens as well. It is very important to our community that we continue to have a positive Christian presence throughout the day to reach out to people who are hurting and to encourage them to trust in the Lord and be good citizens. We desperately need this in our world that seems to be getting worse by the minute. People need the Lord. Thank you.
